A Place To Belong, Grow, And Serve

Why be a part of a Life Group?

Acts 2:46-47

“And day by day, attending the temple together and breaking bread in their homes, they received their food with glad and generous hearts, praising God and having favor with all the people. And the Lord added to their number day by day those who were being saved.”

- **A healthy Life Group ministry is one of the best ways to fulfill the purposes of the church and take care of many of the issues of evangelism that hinder churches from influencing the community.**
- **Significant life changes can happen through Life Groups.**
- **It helps people to grow: 1) together through fellowship, 2) together through discipleship, 3) together through worship, 4) together through missional living.**
- **Life Groups help people to develop a lifestyle of evangelism.**
- **Life Groups are a great tool for helping create a life of community.**

***We have a Life group for you!**

Our Life Group Strategy

- **Life Groups fill a key part of Paonia Friends Church's Discipleship process.**
- **Life Groups are relationship focused groups. These groups are designed to develop spiritually growing people and transform lives through community. It provides a place to belong, to grow and to serve!**
- **Each Life Group meets at least twice a month.**
- **Each group will consist of a group leader and an apprentice. This is to enable training of others and to develop leaders. Each set of group leaders will have a Coach to help train, to encourage, and to support them.**
- **These groups have an open group mind-set. This means they are open to new members, and are designed to grow.**
- **These groups are intended to have a missional focus.**

Life Group Missional Focus

- **We strongly believe that because our God is a missional God we must be missional people.**
- **Mission is the intentional crossing of boundaries from faith to non-faith in order to proclaim by word and deed the Good News of Jesus Christ.**
- **We believe if our Life groups have a missional focus it will help to change the face of the Church in our communities.**
- **We believe this missional focus will enable our people to reach out and serve together in ways that would be impossible as individuals.**

James 1:22

“But be doers of the word, and not hearers only, deceiving yourselves.”
