Underground Railroad Explained

- Talk about how we were all in slavery and held captive and how Jesus set us free by dying for our sins. Through his death we became free forever!
- Talk about our freedom in Christ
- Divert the discussion to move into talking about the slavery that is still happening around the world today through human trafficking, child labor and young soldiers that are trained to kill at 7-9 years old.
- Talk about ways that you can, as a family, reach out to different organizations and help those who are still experiencing slavery*.

A Closing Thought

- Spend time praying prayers of thankfulness for being set free by Jesus.
- Spend time praying for those groups of people as a family.
