

March 16, 2020

In response to a directive from the Delta County Health Dept. and the Colorado Department of Health and Environment we are canceling/postponing all in-person events of 50 people or more. **We will not be having face to face morning worship services at Paonia Friends starting Sunday, March 22.**

The recommendation from the Health Dept. is for a time frame of 8 weeks. We know things can change and we will stay vigilant in our communication to you concerning any updates to this recommendation.

The exciting news is -- we will be having an online service each week! Watch for communication on how this will be done and how you and others can view these online church services.

Your pastors and elders are praying earnestly that God will show us how we can continue to have a sense of community and express a deep love for one another! Pray with us! Pray for each other! Love one another, communicate with each other, and serve each other as best you can during these unusual times we find ourselves in!

We believe this is a tremendous time for God's church to be fearless in the community. A time of opportunity to love and serve this valley in deeper ways! If you know of needs you cannot fill yourself, please contact the church office and we will work to find others who can meet the needs! We are grateful God has given us a church body filled with loving, servant hearts He can use.

We are eager to see the ways of being ministers God shows you during this time! Stay tuned to email, social media, and those outside your door. Look for ways all of us can be the hands and feet of Jesus in the weeks ahead!

Thank you to those who have already offered to help!

PFC Pastors and Elders

Colossians 4:5-6 "Live wisely among those who are not believers, and make the most of every opportunity. Let your conversation be gracious and attractive so that you will have the right response for everyone." NLT
